

# Huntington County Substance Abuse Response Grant 2025

---

*Community Foundation of Huntington County*

## *Grant Information*

---

### Grant Requests

Grant requests will fall under one or more of the following categories regarding substance abuse:

- **Prevention/Education**

The goal of prevention/education is to foster a climate in which:

- Tobacco and illegal drugs are not used at all
- Prescription and over-the-counter drugs are used only for the purposes for which they are intended
- Pregnant and women who may become pregnant do not use alcohol, tobacco, or other drugs
- Programs/strategies reach the general population, such as all students in a school or all parents of middle school students
- First responders and the court system are properly trained to address the needs of at-risk individuals

- **Intervention/Enforcement**

The goal of intervention/enforcement is to reduce the risk of harm and decrease problem behaviors that result from continued use of substances. The intent of the intervention/enforcement is to take action that decreases risk factors related to substance use disorder; enhance protective factors; and provide ongoing services, as appropriate.

- **Treatment/Recovery**

The goal of treatment/recovery is to improve social functioning through complete abstinence from substances. Treatment/recovery is the use of any planned, intentional intervention in the health, behavior, personal and/or family life of an individual suffering from substance dependency designed to help that person achieve and maintain sobriety, physical and mental health and a maximum functional ability.

### Evaluation

Please keep in mind that your application will be evaluated on the following criteria:

- (1) Primary spending devoted to projects in Huntington County,
- (2) Sustainability of programming outside of grant request,
- (3) Expertise/certification within field of programming (such as a recovery home that is certified by the Indiana Division of Mental Health and Addiction as a residential care provider in standards with National Alliance for Recovery Residence (NARR), substance abuse counselors with a certification of specialty for providers, etc.),
- (4) Evidence should be provided that the project will lead to improved outcomes in the realm of Substance Use Disorder (SUD) prevention/education, intervention/enforcement or treatment/recovery,
- (5) Plan to monitor outcomes as defined within the application.

### Saving Your Application

Your application will be saved automatically as you complete each question. When you log back in to your profile, you will be able to start where you left off.

### Technical Assistance

If you need technical assistance with your application, please email [info@huntingtonccf.org](mailto:info@huntingtonccf.org) with your question and one of our staff members will respond as soon as possible.

Please provide a project name that summarizes your request.

### **Project Name\***

*Character Limit: 100*

Please select one of the following categories that fits your request:

### **Grant Category\***

#### Choices

Prevention/Education  
Intervention/Enforcement  
Treatment/Recovery

**Requests must be able to show alignment with the strategies outlined in this application as defined by the Opioid Remediation Use Guidelines from the Indiana Attorney General's office.**

## Grantee Classification\*

### Choices

Governmental Department  
501(c)(3) Nonprofit Organization

## Prevention/Education

---

### Prevention/Education

Please select the prevention/education strategies below that fit your specific project.

## Media

### Choices

Funding for media campaigns to prevent opioid use<sup>1</sup>

*<sup>1</sup> Similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco*

## Prescribing

### Choices

Funding for medical provider education and outreach regarding best prescribing practices for opioids  
Educating dispensers on appropriate opioid dispensing  
Funding for community drug disposal programs

## Training for First Responders

Funding and training for first responders to:

### Choices

Participate in pre-arrest diversion programs  
Participate in post-overdose response teams  
Connect at-risk individuals to behavioral health services/supports

## Training for Court System

### Choices

Provide training on best practices for addressing the needs of criminal justice-involved persons<sup>1</sup>

*<sup>1</sup> This includes persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.*

## Schools

### Choices

Support school-based contacts for parents to seek immediate treatment services for their child

Support prevention, intervention, treatment, and recovery programs focused on young people

Funding for evidence-based prevention programs in schools

Support evidence-informed programs to address mental health needs of at risk young people

Support greater access to mental health services and supports for young people<sup>1</sup>

*<sup>1</sup> This includes services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse*

## Coalition

### Choices

Supporting community coalitions in implementing evidence-informed prevention<sup>1</sup>

*<sup>1</sup> Evidence-informed prevention includes:*

- *reduced social access and physical access,*
- *stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (“SAMHSA”).*

## *Prevention/Education - Media*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project **funds media campaigns to prevent opioid use (similar to the FDA’s “Real Cost” campaign to prevent youth from misusing tobacco).**

### Evaluation Guidelines

- Funding for media campaigns to prevent opioid use (similar to the FDA’s “Real Cost” campaign to prevent youth from misusing tobacco) **(Core Service)**

## Media - Summary of Request\*

*Character Limit: 2500*

## *Prevention/Education - Prescribing*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- **Funding for medical provider education and outreach regarding best prescribing practices for opioids**
- **Educating dispensers on appropriate opioid dispensing**
- **Funding for community drug disposal programs**

### **Evaluation Guidelines**

- Funding for medical provider education and outreach regarding best prescribing practices for opioids **(Core Service)**
- Educating dispensers on appropriate opioid dispensing
- Funding for community drug disposal programs **(Core Service)**

### **Prescribing - Summary of Request\***

*Character Limit: 2500*

## *Prevention/Education - Training for First Responders and Court System*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- **Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports**
- **Provide training on best practices for addressing the needs of criminal justice-involved persons with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions to law enforcement, correctional, or judicial**

**personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section**

### Evaluation Guidelines

- Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports **(Core Service)**
- Provide training on best practices for addressing the needs of criminal justice-involved persons with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section

### Training for First Responders and Court System - Summary of Request\*

*Character Limit: 2500*

### *Prevention/Education - Schools*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- **Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child**
- **Support prevention, intervention, treatment, and recovery programs focused on young people**
- **Funding for evidence-based prevention programs in schools**
- **Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills**
- **Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse**

## Evaluation Guidelines

- Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child
- Support prevention, intervention, treatment, and recovery programs focused on young people
- Funding for evidence-based prevention programs in schools **(Core Service)**
- Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills
- Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse

## Schools - Summary of Request\*

*Character Limit: 2500*

### *Prevention/Education - Coalition*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project **supports community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).**

## Evaluation Guidelines

- Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA)

## Coalition - Summary of Request\*

*Character Limit: 2500*

## *Intervention/Enforcement*

---

### **Intervention/Enforcement**

Please select the intervention/enforcement strategies below that fit your specific project.

### **Law Enforcement and Courts**

#### **Choices**

Provide evidence-based treatment/recovery support for persons connected to criminal justice system  
 Increase funding for jails to provide treatment to inmates  
 Support pre-arrest or pre-arraignment diversion and deflection strategies  
 Support treatment and recovery courts that provide evidence-based options

### **Pregnancy/Postpartum/Parenting**

#### **Choices**

Provide comprehensive wrap-around services to pregnant and postpartum individuals with OUD<sup>1</sup>  
 Address the needs of pregnant/parenting women with OUD/SUD/MH conditions<sup>2</sup>  
 Support evidence-based/informed treatment, recovery/prevention services/supports for women<sup>3</sup>  
 Provide support for children's services<sup>4</sup>  
 Provide enhanced family support and childcare services for parents with OUD/SUD/MH conditions

*<sup>1</sup> Wrap-around services include housing, transportation, job placement/training, and childcare*

*<sup>2</sup> This includes the needs of their families, including babies with Neonatal Abstinence Syndrome (NAS)*

*<sup>3</sup> This includes pregnant women or women who could become pregnant and who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by NAS*

*<sup>4</sup> Children's services include funding additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use*

### **Peer Recovery Coaching and Case Management**

#### **Choices**

Support mobile intervention/treatment/recovery services<sup>1</sup>  
 Provide comprehensive wrap-around services to individuals with OUD/SUD/MH conditions<sup>2</sup>  
 Provide community support services to assist in deinstitutionalizing persons<sup>3</sup>  
 Support/expand peer-recovery centers<sup>4</sup>  
 Provide employment training/educational services for persons in treatment/recovery

Provide the full continuum of care of treatment/recovery services<sup>5</sup>  
 Provide funding for peer support specialists/recovery coaches<sup>6</sup>  
 Expand warm hand-off services to transition to recovery services

<sup>1</sup> *Qualified professionals include peer recovery coaches*

<sup>2</sup> *Wrap-around services include housing, transportation, education, job placement, job training, or childcare*

<https://unicode-table.com/en/00B3/><sup>3</sup> *Support services include social and legal services*

<sup>4</sup> *Peer-recovery centers may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions*

<sup>5</sup> *Continuum of care includes supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services*

<sup>6</sup> *Peer support specialists and recovery coaches can be in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings and offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose*

## Detoxification

### Choices

Support evidence-based withdrawal management services for people with OUD/MH conditions

## Housing\*

### Choices

Provide access to housing for people with OUD/SUD/MH conditions<sup>1</sup>

<sup>1</sup> *Housing includes supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services*

## Intervention/Enforcement - Law Enforcement and Courts

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- **Provide evidence-based treatment and recovery support for persons with Opiate Use Disorder (OUD) and co-occurring Substance Use Disorder (SUD) / Mental Health (MH) disorders within and transitioning out of the criminal justice system**
- **Increase funding for jails to provide treatment to inmates with OUD**
- **Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions**
- **Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions**

### Evaluation Guidelines

- Provide evidence-based treatment and recovery support for persons with Opiate Use Disorder (OUD) and co-occurring Substance Use Disorder (SUD) / Mental Health (MH) disorders within and transitioning out of the criminal justice system **(Core Service)**
- Increase funding for jails to provide treatment to inmates with OUD **(Core Service)**
- Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions
- Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

### Law Enforcement and Courts - Summary of Request\*

*Character Limit: 2500*

### *Intervention/Enforcement - Pregnancy/Postpartum/Parenting*

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- **Provide comprehensive wrap-around services to pregnant and postpartum individuals with Opiate Use Disorder (OUD), including housing, transportation, job placement/training, and childcare.**

- Address the needs of pregnant or parenting women with OUD and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions, and the needs of their families, including babies with Neonatal Abstinence Syndrome (NAS)
- Support evidence-based or evidence informed treatment, recovery services and supports, and prevention services for pregnant women- or women who could become pregnant- who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by NAS
- Provide support for children's services such as funding additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use
- Provide enhanced family support and childcare services for parents with OUD and any co-occurring SUD/MH conditions

### Evaluation Guidelines

- Provide comprehensive wrap-around services to pregnant and postpartum individuals with Opiate Use Disorder (OUD), including housing, transportation, job placement/training, and childcare **(Core Service)**
- Address the needs of pregnant or parenting women with OUD and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions, and the needs of their families, including babies with Neonatal Abstinence Syndrome (NAS)
- Support evidence-based or evidence informed treatment, recovery services and supports, and prevention services for pregnant women- or women who could become pregnant- who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by NAS
- Provide support for children's services such as funding additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use
- Provide enhanced family support and childcare services for parents with OUD and any co-occurring SUD/MH conditions

### Pregnancy/Postpartum/Parenting - Summary of Request\*

*Character Limit: 2500*

## *Intervention/Enforcement - Peer Recovery Coaching and Case Management*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project relates to one or more of the following criteria:

- Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions and for persons who have experienced an opioid overdose
- Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare
- Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions
- Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions
- Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions
- Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services
- Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose
- Expand warm hand-off services to transition to recovery services

### **Evaluation Guidelines**

- Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions and for persons who have experienced an opioid overdose (**Core Service**)

- Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare
- Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions
- Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions
- Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions
- Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services
- Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose
- Expand warm hand-off services to transition to recovery services **(Core Service)**

## Peer Recover Coaching and Case Management - Summary of Request\*

*Character Limit: 2500*

### *Intervention/Enforcement - Detoxification*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project **supports evidence-based withdrawal management services for people with Opiate Use Disorder (OUD) and any co-occurring mental health conditions.**

### Evaluation Guidelines

- Support evidence-based withdrawal management services for people with Opiate Use Disorder (OUD) and any co-occurring mental health conditions

## Detoxification - Summary of Request\*

*Character Limit: 2500*

## *Intervention/Enforcement - Housing*

---

Please describe your proposed project in up to 2,500 characters.

Remember to include how your project **provides access to housing for people with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services.**

### **Evaluation Guidelines (Core Service)**

- Provide access to housing for people with Opiate Use Disorder (OUD) and any co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services

### **Housing - Summary of Request\***

*Character Limit: 2500*

## *Treatment/Recovery*

---

### **Treatment/Recovery**

Please describe your proposed project in up to 2,500 characters.

Remember to select and include how your project relates to one or more of the following criteria:

#### **Choices**

- Expand Peer Recovery Coaching services to begin in hospital emergency departments
- Expand warm hand-off services to transition to recovery services
- Broaden scope of recovery services to include co-occurring SUD/MH conditions
- Provide comprehensive wrap-around services to individuals in recovery<sup>1</sup>
- Hire additional social workers or other behavioral health workers to facilitate recovery from SUD
- Provide employment training or educational services for persons in treatment for or recovery
- Engage non-profits, faith-based communities, and community coalitions<sup>2</sup>
- Provide treatment of trauma for individuals with OUD<sup>3</sup>
- Provide counseling, peer-support, recovery case management and residential treatment<sup>4</sup>
- Provide/support transportation to treatment/recovery programs/services

<sup>1</sup> *Wrap-around services include housing, transportation, job placement/training, and childcare*

<sup>2</sup> *For the purposes of supporting people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family*

<sup>3</sup> *Trauma can include violence, sexual assault, human trafficking, or adverse childhood experiences and treatment can be extended to family members (e.g., surviving family members after an overdose or overdose fatality) / Training for health care personnel to identify and address such trauma is also acceptable*

<sup>4</sup> *For the purposes of accessing medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions*

## Evaluation Guidelines

- Expand Peer Recovery Coaching services to begin in hospital emergency departments **(Core Service)**
- Expand warm hand-off services to transition to recovery services **(Core Service)**
- Broaden scope of recovery services to include co-occurring Substance Use Disorder (SUD) / Mental Health (MH) conditions **(Core Service)**
- Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare
- Hire additional social workers or other behavioral health workers to facilitate recovery from SUD **(Core Service)**
- Provide employment training or educational services for persons in treatment for or recovery from Opiate Use Disorder (OUD) and any co-occurring SUD/MH conditions
- Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family
- Provide treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma
- Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions
- Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions

## Treatment/Recovery - Summary of Request\*

Character Limit: 2500

### *Action & Outcome Measures*

---

Please list the desired outcomes you plan to achieve to meet the community needs described in your summary of request.

Outcomes should follow a SMART goals format and be specific, measurable, achievable, relevant and time-bound.

With each outcome, list up to three actions you plan to take through the project.

*Example format:*

*Outcome: Reduction in the number of overdoses deaths in Huntington County by 5% in 2023.*

*Action 1: Encourage prevention/education programs focused on youth and adult alcohol/drug use/abuse.*

*Action 2: Support intervention treatment for youth and adults who are using/abusing substances.*

*Action 3: Support enforcement/judicial initiatives that identify or rehabilitate youth and adults who abuse substances.*

## Action & Outcome Measures\*

Character Limit: 2500

### *Grant Amount Requesting*

---

#### Grant Amount Requesting\*

Character Limit: 20

#### Total Project Cost\*

Character Limit: 20

Please list any additional sources of funding for this project.

This could include other grants, donations, operating reserves, etc. Please indicate whether additional sources are pending or committed.

## Additional Sources of Funding

*Character Limit: 2500*

## *Governmental Department Attachments*

---

If you have any other relevant items you wish to include with your application, please upload those here.

If you are partnering with an organization or organizations on this project, we strongly suggest that you include **letters of support** and/or a **memorandums of understanding (MOUs)** to show commitment from your partners on the project.

### Additional Item 1

*File Size Limit: 3 MB*

### Additional Item 2

*File Size Limit: 3 MB*

### Additional Item 3

*File Size Limit: 3 MB*

## *501(c)(3) Nonprofit Organization Attachments*

---

Please upload your Board of Directors roster.

Board Member titles may include President, Treasurer, Director, etc. Board Member affiliations include place of employment and job title.

### Roster of Board Members with Titles and Affiliations\*

*File Size Limit: 3 MB*

Please provide your organization's last three Board of Director meeting agendas.

### Meeting Agendas\*

*File Size Limit: 3 MB*

Please provide financial statements for your organization's most recent fiscal year.

## Financial Statements\*

*File Size Limit: 3 MB*

If you have any other relevant items you wish to include with your application, please upload those here.

If you are partnering with an organization or organizations on this project, we strongly suggest that you include **letters of support** and/or a **memorandums of understanding (MOUs)** to show commitment from your partners on the project.
